Material/Finish

Canopy and diffuser: injection moulded fire retardant polycarbonate

Gear tray: sheet steel, white enamel finish

Toggles: polycarbonate (stainless steel available)

Installation/Mounting

Cable entry positions at the back and each end of the fitting. Stainless steel quick-fix brackets supplied with each luminaire. Toggle clips easy to fit and close by hand. Connect versions available with fast electrical connection facility.

Conduit box mounting, chain suspension, conduit suspension and catenary suspension kits, plus through wire kits are all available (see accessories listing). LED version: through wiring end to end is not possible but looping in and out at one end is acceptable. Suitable for all indoor plus external 'under cover only' applications.
