THORN

Equaline Mini

A slim LED batten with contemporary design that provides quality light to the architecture

- Rectangular shape provides a functional profile without dominating the architecture
- Seamless and consistent lit-line all along the luminaire's entire length
- Anodized aluminium body brings high quality elegant look
- Very high efficacy thanks to the use of latest LED technology

Material/Finish

Body: extruded aluminium with anodized finish
Diffuser: opal PC plastic
End-cap: dual color injected PC plastic

Installation/Mounting

Suitable for surface or suspended (with optional suspension kit) mounting. Mains electrical connection either via connector in endcap (SD version) or via flap in rear of body (non-SD veraion). Linear continuous run by connecting output socket in endcap (all versions) and connector in next luminaire (SD version) with an optional electrical connector. All DALI dimmable versions have a flap in rear of body for control line connection.

IP20, IK06, Beam_Suspended_W, Beam_eControl_A, SC1, 650, Ta=25
