(DE) Hinweise für die Montage, die Installation und den Betrieb!

Die Montage und Inbetriebnahme der Leuchte sowie jede Veränderung an der Leuchte darf nur von autorisierten Fachkräften (qualifizierter Elektriker) durchgeführt werden. Die Leuchte dient ausschließlich der Beleuchtung und ist entsprechend den nationalen Errichtungsbestimmungen zu installieren. Achtung! Während der Verdrahtung und Installation der Leuchten und Versorgungsgeräte immer spannungslos arbeiten. Nichtbeachtung kann zur Zerstörung der LED-Module führen. Hot Plug-In ist verboten. Hot Plug-In kann zu Schäden an der Leuchte und zum Verlust der Garantie führen! Der Hersteller haftet nicht für Schäden, die aus fehlerhafter Montage, aus unsachgemäßem Betrieb oder unautorisierten Veränderungen an der Leuchte resultieren. Die Lichtquelle dieser Leuchte darf nur vom Hersteller oder einem von ihm beauftragten Servicetechniker oder einer vergleichbar qualifizierten Person ausgetauscht werden. **Vorsicht, Gefahr eines elektrischen Schlags!**

(EN) Instructions for assembly, installation and operation!

The installation and commissioning of the luminaire as well as any modification to the luminaire may only be performed by authorized personnel (qualified electrician). The luminaire is used exclusively for lighting and is to be installed in accordance with the national installation regulations. Caution! Make sure that the luminaires and power supply units are always disconnected from the mains supply during wiring and installation work. Otherwise, the LED modules may be destroyed. Hot plug-in is not permitted. Hot plug-in may result in damage to the luminaire and entail loss of warranty claims! The manufacturer is not liable for damages resulting from improper or faulty installation or operation or from unauthorized modifications to the luminaire. The light source contained in this luminaire shall only be replaced by the manufacturer or his service agent or a similarly qualified person. **Caution, risk of electric shock!**

(FR) Instructions pour le montage, l'installation et l'utilisation!

L'installation et la mise en service du luminaire ainsi que toute modification au luminaire doivent être effectuées par un personnel autorisé (électricien qualifié). Le luminaire sert uniquement à l'éclairage et doit être installé conformément aux prescriptions nationales en matière d'installation. Attention! Toujours travailler sans tension lors du câblage et de l'installation des luminaires et unités d'alimentation. Le non-respect de cette consigne peut entraîner la destruction des modules à LED. Le raccordement en cours de service (hot plug-in) est interdit. Il peut provoquer l'endommagement du luminaire et la perte de la garantie! Le fabricant décline toute responsabilité pour les dommages résultant d'une mauvaise installation ou opération, ou d'une modification non autorisée du luminaire. La source lumineuse de ce luminaire peut uniquement être remplacée par le fabricant, un technicien de service mandaté par lui ou une personne ayant une qualification similaire. **Avertissement, risque de choc électrique!**

(IT) Istruzioni per il montaggio, l'installazione e il funzionamento!

L'installazione e la messa in servizio degli apparecchi, nonché qualsiasi modifica dell'apparecchio può essere eseguita solo da personale autorizzato (elettricista qualificato). L'apparecchio è destinato esclusivamente all'illuminazione e va installato in conformità alle leggi nazionali in vigore. Attenzione! Lavorare sempre in assenza di tensione mentre si cablano e si installano gli apparecchi e le unità di alimentazione. In caso contrario i moduli LED possono andare distrutti! Hot Plug-In è vietato. L'Hot Plug-In può danneggiare l'apparecchio e comportare la perdita della garanzia! Il produttore non si assume alcuna responsabilità per i danni derivanti da un'installazione impropria o difettosa, o per modifiche non autorizzate apportate all'apparecchio. La sorgente luminosa contenuta in questo apparecchio può essere sostituita solo dal produttore o da un centro assistenza autorizzato o da una persona qualificata. **Attenzione, pericolo di scarica elettrica!**

(ES) Instrucciones de montaje, instalación y funcionamiento!

El montaje y la puesta en servicio de la luminaria así como toda modificación de la luminaria deberán ser realizados exclusivamente por personal técnico autorizado (electricista certificado). La lámpara está destinada exclusivamente a la iluminación y debe ser instalada de acuerdo con las pertinentes normas nacionales. Atención! Siempre mantenga desconectada la tensión al realizar las tareas de cableado y de instalación de las luminarias y dispositivos de alimentación. De lo contrario podría destruirse el módulo LED. Hot plug-in no es una opción y puede causar daños a la lámpara o luminaria! ¡La conexión en caliente puede dañar la luminaria e invalidar la garantía! El fabricante no se responsabiliza por los daños derivados del montaje incorrecto u operación indebida de la luminaria así como de las modificaciones no autorizadas en la luminaria. El reemplazo de la fuente de luz de la luminaria deberá ser realizado exclusivamente por el fabricante o por un técnico de servicio designado por este o bien por una persona con una certificación equivalente. **Precaución: peligro de descarga eléctrica!**

(NL) Instructies voor montage, installatie en gebruik!!

De montage en inbedrijfstelling van de armatuur en eventuele wijzigingen aan de armatuur mogen uitsluitend door geautoriseerde vaklui (gekwalificeerde elektriciens) worden uitgevoerd. De lamp dient uitsluitend voor de verlichting en dient conform de nationale bouwbeoordelingen te worden geïnstalleerd. Opgelet! Tijdens het bedraden en installeren van de armaturen en voedingsapparaten altijd zonder spanning werken. Bij niet-naleving hiervan kunnen de LED-modules ernstig worden beschadigd. 'Hot plug-in' is verboden. Dit kan leiden tot schade aan de armatuur en verlies van de garantie. De fabrikant is niet aansprakelijk voor schade als gevolg van onjuiste foutieve installatie bediening of schade welke het gevolg is van niet geautoriseerde wijzigingen aan het armatuur. De lichtbron in de armatuur mag enkel door de fabrikant, een erkende servicevertegenwoordiger of een gelijkwaardig gekwalificeerd persoon vervangen worden. **Opgelet! Gevaar voor een elektrische schok!**

! Product for indoor and outdoor use
Reinforced insulation provided between input and output circuit; Basic insulation provided between input/output circuit and dimming circuit.

28002327 - Accu-LiFePO4 7.5 Ah 5C CON For HF E3 and HF E3D
