

SWITCHLITE KIT MSF

Surface Mounting Kit

Art. no. 96218678

Application

The SWITCHLITE KIT MSF is a surface mounting kit that helps to convert recessed sensors for surface mounting applications.

Surface Mounting kit is suitable for:
SWITCHLITE MRE SLD (96218677),
SWITCHLITE MRE SLD MAN (96239823),
SWITCHLITE MRE SLD 2CH (96627553),
SWITCHLITE MRE SLD IP55 (96239821),
SWITCHLITE MRE SLDM MR (96239822),
SENSA MRE DDM MR (96239831),
SWITCHLITE MRE SLDD PC (96239828),
SWITCHLITE MRE SLD HIBAY (96601981),
SENSA MRE DDP HIBAY (96601982),
SENSA MRE DDP (96601979)

Mounting and installation instructions

- The distance between two drilling holes for mounting the box is either 50 or 60mm.
- Mount surface box onto the ceiling.
- Detach the mains cover of the sensor and plug in the connector. Do not re-fit the mains cover to the sensor.
- Loosely push the unit into the surface box (higher part of sensor back turned to face screw) and secure it with the screw.

Technical data

Dimensions	Ø 76mm, height: 65mm
Housing material	Flame retardant ABS
Weight	Approx. 1.2 kg
