This product contains a light source of energy efficiency class F.

All values marked with an \* are rated values. Thorn uses tried and tested components from leading suppliers, however there may be isolated instances of technology-related failures of individual LEDs during the rated product lifetime. International standards set the tolerance in initial flux and connected load at  $\pm 10\%$ . Unless stated otherwise, the values apply to an ambient temperature of  $25^{\circ}\text{C}$ .

Thorn Lighting is constantly developing and improving its products. The right is reserved to change specifications without prior notification or public announcement.
