THORN

Thor

A small size, smart urban LED lantern with 36 LEDs driven at 350mA with narrow road optic and die-cast aluminium EN AC 47100 + CAT dome with anthracite finish (close to RAL7043). Class I electrical, IP66, IK10. Body: die-cast aluminium (EN AC 47100 + CAT) treated against corrosion, powder coated anthracite (close to RAL7043), bracket: die-cast aluminium (EN AC-47100 + CAT) treated against corrosion, powder coated anthracite (close to RAL7043). Enclosure: 6mm toughened flat glass. Screws and closing set: stainless steel. Post top mounting to Ø60mm column, tilt 0°, adjustable from -15° to +10°. Complete with 4000K LED.

Dimensions: 618 x 459 x 251 mm
Luminaire input power: 39 W
Luminaire luminous flux: 6178 lm
Luminaire efficacy: 158 lm/W
Weight: 8.95 kg
Scx: 0.038 m²

This product contains a light source of energy efficiency class E.

All values marked with an * are rated values. Thorn uses tried and tested components from leading suppliers, however there may be isolated instances of technology-related failures of individual LEDs during the rated product lifetime. International standards set the tolerance in initial flux and connected load at ±10%. Unless stated otherwise, the values apply to an ambient temperature of 25°C.

Thorn Lighting is constantly developing and improving its products. The right is reserved to change specifications without prior notification or public announcement.
